

Our team at Wada Optometry knows there are concerns related to the spread of the Coronavirus COVID-19. We are following CDC recommendations to establish precautions that keep our Optometry office a safe environment for you and your family. At the same time, we continue to provide the level of eye care you have come to expect from us.

Due to Governor Newsom's urgent executive order, we are unable to perform routine eye examinations, effective immediately. We will be available for urgent care only. I'm sorry for the inconvenience, but we must all do our part in preventing the spread of COVID-19.

Our office will be closing early during this period. Our temporary office hours will be from 9:00 am to 1:00 pm Monday through Saturday. We will allow patients to pick up their glasses and contact lenses during this time.

When you arrive at the office, please call the office number (714)533-2525. We will ask that you pay any balance due by credit card, and we will gladly bring it to your car. (drive-up service) Please park in the space behind the back door next to our handicap parking. Eyeglass adjustments must wait, unfortunately. We are unable to say when this restriction will be lifted at this time. We are anticipating 14 days.

Thank you for your cooperation and understanding. Be safe!

Garrett Wada, OD

Ocular emergencies you can call or text Dr. Wada on his cell phone at 714-595-3795
